RE: Hurricane Harvey Relief

While our prayers continue to go out to our Nobles and Daughters and their families impacted and directly affected by Hurricane Harvey, our Civic Affairs Committee has been in contact with Noble Burnell White, Imperial Deputy of the Desert of Texas. As the waters recede, the true impact of need is revealed. Certainly, water and cleaning supplies should be at the top of that list which may cause some logistical challenges, therefore, financial donations may be a better choice.

The Desert of Texas has a 501(c)(3) Charitable Foundation that can receive your financial donations directly at DTXFoundation@gmail.com. You can also send PayPal contributions to the same address.

Please know that when one of our Nobles or Daughters suffer, we all suffer. Rest assured your Imperial Council will do its part, but we solicit your individual support to the above foundation. Give generously.

Thanking you in advance for your assistance in this time of need and God Bless!

Fraternally your Servant,

Carl D. Parker
42nd Imperial Potentate
