To: Past Imperial Potentates, Imperial Deputy of Desert, Illustrious Potentates, Appointed Imperial Council Officers, Members of Imperial Council & Imperial Court

Many of the members of the Imperial Council and the Imperial Court Daughters of Isis have inquired as to the Imperial Council's response to the various actions and edicts of those Grand Lodges "terminating fraternal relations" between A.E.A.O.N.M.S., Inc. and the respective Most Worshipful Prince Hall Grand Lodges and summarily suspending certain Master Masons and Eastern Stars because of their service in Shrinedom. Please rest assured the Imperial Council is ascertaining an appropriate reply, to squash the unlawful actions of those Grand Lodges, and their Officers wrongfully suspending Master Mason, Eastern Stars, and interfering with the sovereignty and business affairs of the A.E.A.O.N.M.S., Inc.

We thank you for your unswerving loyalty and confidence in your Imperial Officers and we appreciate your continued patience.

May God bless and keep you.

Stay Safe,

Oliver W. Washington, Jr.
